FINANCIAL AID NEWS: Time is now to complete your FAFSA for the 2006-07 school years. You do not want to miss our on early enrollment for fall because your financial aid has not been awarded. Yes, financial aid applications must be completed each year in order to determine your eligibility for grants and loans. OTAG is a state grant and the FAFSA has to be completed by April 15 to determine your eligibility for this grant. If you need assistance in completing the forms, please contact Deborah Godwin or Kirk Rushing, our EOC counselors. Remember to bring in your PIN number and 2005 income tax information.

What does awarded mean? Award letters are sent to students to inform them what type and how much financial aid eligibility each student has for the year. Award letters are sent to the student from each college/university attended. MSC students always need to check the MSC Financial aid bulletin board outside the MSC suite for information.
