RESEARCH AND TEACHING EXPERIENCE

Funded Grants and Research Projects (Authored or Co-Authored)

Mills, Steven C., & Houk, Bonnie (2004). Technology Rich Classrooms— Elk Valley and Fredonia Partnership/Garnett and Pleasanton Partnership, \$300,000 over one year (University of Kansas subcontract to SEKESC, \$10,500 over one year), Kansas State Department of Education.

Mills, Steven C. & Luthi, Janette (2003). *Kids Crew: The Independence Community Learning Center*., \$558,472 over five years (University of Kansas subcontract to Independence, Kansas School District 446, \$37,500 over 5 years) , Kansas 21st Century Community Learning Centers Program, Kansas State Department of Education.

Mills, Steven C. (2003). *ParaEducator Learning Network Assessments Validity Study*. A study to establish validity for online assessments administered by The ParaEducator Learning Network for Kansas certification under No Child Left Behind guideline. Contract with the Southeast Kansas Education Service Center at Greenbush and The Master Teacher.

Mills, Steven C. (2003). Technology Rich Classrooms—Holton Partnership, \$150,000 over one year (University of Kansas subcontract to Holton USD 336, \$7,500 over one year), Kansas State Department of Education.

Mills, Steven C., & Houk, Bonnie (2003). Technology Rich Classrooms— SEKESC/Woodson and Marmaton Valley Partnership, \$150,000 over one year (University of Kansas subcontract to SEKESC, \$7,500 over one year), Kansas State Department of Education.

Mills, Steven C., Huebner, Cynthia (2003). Children's SSI Project, *Disability Determination Service, Childhood Disability Resource Guides*, \$12,000 over 3 months (University of Kansas subcontract to Association of University Centers on Disabilities). Social Security Administration, Office of Disability.

Mills, Steven C. (2002). *Evaluation of Virtual Greenbush On-Line High School*. On-going contract with Southeast Kansas Education Service Center at Greenbush.

Tincher, Robert, & Mills, Steven C., & (2001). Technology Literacy Challenge Fund, *Professional Development—New Professional Development Programs*, \$60,000 continuation grant (University of Kansas subcontract to Independence USD 446, \$8,320 over one year), Kansas State Department of Education.

Scott, Steven A, & Mills, Steven C., & (2000). *Technological Fluency: Building the Foundation for Teaching in the 21st Century Classroom*. \$822,606 over three years (University of Kansas

- subcontract to Pittsburg State University, \$77,495 over three years), Project No. P342195A, Preparing Tomorrow's Teachers to use Technology, U.S. Department of Education, Office of Postsecondary Education.
- Tincher, Robert, & Mills, Steven C., & (2000). Technology Literacy Challenge Fund, *Professional Development—New Professional Development Programs*, \$60,000 over one year (University of Kansas subcontract to Independence USD 446, \$10,150 over one year), Kansas State Department of Education.
- Mann, Marilyn & Mills, Steven C. (1999). Educate America Act Program, *Wowing With the Web: The Family Technology Fair*, \$2,000 over six months, Kansas State Department of Education.
- Mills, Steven C. (1999). *Closed Captioned Television Programs-Local News and Public Information*, \$238,919 over three years, Project No. H327L990004, Technology and Media Services, U.S. Department of Education, Office of Special Education and Rehabilitation Services.
- Shaver, Jana, & Mills, Steven C., (1999). *Project UNITE: Utilizing Neighborhood Ingenuity to Educate*, \$397,662 over three years to Independence, Kansas School District 446, Project No. R287A990949, 21st Century Community Learning Centers Program, U.S. Department of Education.
- Mills, Steven C. (1997). *Take Two Tech: A Dropout Recovery Project*, \$285,000 over three years, Oklahoma Department of Vocational-Technical Education.
- Mills, Steven C. (1997). *Career-Based Education: A Tech Prep Proposal*, \$300,000 over three years, Oklahoma Department of Vocational-Technical Education.
- Mills, Steven C. (1997). *Adult Day Care Services of Southern Oklahoma Project*, \$518,000 over three years, Southern Oklahoma Memorial Hospital Foundation.
- Mills, Steven C., & Gloodt, Edward. (1995). *Safety from the Top Down—Continuous Improvement Process for Managing Safety, Health and Environmental Issues in the Workplace*, \$10,000 over one year, Oklahoma Department of Vocational-Technical Education, 1995.
- Mills, Steven C. (1991). *Providing Career Development Services for Part-Time Adult Students*, \$20,000 over two years, Oklahoma Department of Vocational-Technical Education.
- Mills, Steven C. (1991). *Research and Development of a New Occupational Program in Plant Process Operations Technology*, \$5,000 over one year, Oklahoma Department of Vocational-Technical Education.
- Mills, Steven C. (1990). *Careers Unlimited*, \$350,000 over seven years, Oklahoma Department of Vocational-Technical Education.
- Mills, Steven C. (1989). *Single Parent/Displaced Homemaker Program*, \$340,000 over eight years, Oklahoma Department of Vocational-Technical Education.

Teaching Experience

SSLS 732: Special Topics in Educational Technology: Developing and Implementing On-Line Instruction, Pittsburg State University, Pittsburg, Kansas, Spring, 2001, 2002. A series of short courses for in-service teachers addressing multiple topics related to using computers and technology in the classroom. Team taught with Robert Tincher, District Technology Coordinator, Independence (KS) USD 446.

EDUC 5962. (1988, June). Microcomputer Institute. Presented to Oklahoma business education teachers, University of Central Oklahoma, Edmond, Oklahoma during Summer term, 1986, 1987, 1988. Team taught with Dr. Bob Brown, Professor, University of Central Oklahoma.

Microcomputer Applications, Southern Oklahoma Technology Center, Ardmore, Oklahoma, Fall and Spring Semesters, 1983-1987. A series of short courses that included Operating Systems, Windows, word processing, spreadsheet, and database applications, presented to adult learners or employees of specific businesses who needed to upgrade or learn new computer skills.

Microcomputer Technology, Southern Oklahoma Technology Center, Ardmore, Oklahoma, 1983-1987. A comprehensive full-time postsecondary/ secondary training program to prepare students for positions in the computer industry or other positions in business that provided computer operations and support and included data processing principles, basic accounting, computer programming, operating systems, networks, and use of software applications including word processing, spreadsheets, and databases.

Computer Programming, Southern Oklahoma Technology Center, Ardmore, Oklahoma, Fall and Spring Semesters, 1981-1982. A beginning programming course using the BASIC programming language on an IBM minicomputer.

Educational Credentials and Certifications

Oklahoma Department of Education, Standard Superintendent Certification, 1993-present

Oklahoma Department of Education, Standard Teaching Certificate, Trade/Industrial Education, 1992-present

Oklahoma Department of Vocational-Technical Education, Vocational-Technical School Administrator Credential, 1992-present

Doctoral Candidate Expert Review Panels

Teacher Uses of an Integrated Learning System (2002), Jennifer B. King, Doctoral Student, Instructional Technology, University of South Florida.

Instructional Design and Delivery Elements of U.S. High School Online Courses (2003), Christy Keeler, Doctoral Candidate, Department of Educational Leadership, University of Oregon.
